

C. L 2030

The International Bureau of the World Intellectual Property Organization (WIPO) presents its compliments and has the honor to invite Member States and Observers to the Standing Committee on Copyright and Related Rights (SCCR) to provide suggestions for possible updates to the Good Practice Toolkit for Collective Management Organizations (CMO Toolkit).

The CMO Toolkit brings together examples of legislation, regulation and codes of conduct in the area of collective management from around the world. Member States, Collective Management Organizations and other stakeholders may use this non-normative document as a tool to inform their legislative, regulatory, governance and licensing frameworks.

The current version of the CMO Toolkit, dated October 31, 2018, is available at the following link, in Arabic, Chinese, English, French, Spanish, Russian and Portuguese:
<https://www.wipo.int/publications/en/details.jsp?id=4358>.

As agreed at the consultation meeting at WIPO's Headquarters with Member States and Observers on May 31, 2018, along the sidelines of SCCR/36 (https://www.wipo.int/edocs/mdocs/copyright/en/sccr_36/sccr_36_inf_side_events.pdf), the CMO Toolkit should be updated every two years.

Member States and Observers are hence invited to submit suggestions for possible amendments to the CMO Toolkit by March 31, 2021, to Ms. Anita Huss-Ekerhult, Counsellor, Copyright Management Division, under the following e-mail address: anita.huss@wipo.int.
